
Oxford[®] Deluxe Standing with Clips Slings

Deluxe Standing with Clips

The Oxford® Deluxe Standing sling with Clips is an easy fit sling suitable for standing and supporting. It is not a general purpose sling and clients should be carefully assessed for suitability. It will not suit double amputees or lifting from a horizontal position and clients must have a good degree of weight bearing ability.

- ✓ Fully padded design offers excellent comfort
- ✓ Patented Securi3 clip attachment points
- ✓ Non-slip back section ensures the sling does not 'ride up'
- ✓ Adjustable waist strap for added support and security
- ✓ Can be customised to fulfil patient specific needs
