
Oxford[®] Presence

With Integrated Powered Cradle

A versatile, heavy-duty mobile lift

The Oxford Presence with Integrated Powered Cradle is competent to handle most patient handling tasks. It's extensive lifting range ensures critical transfers, including to high level surfaces are achieved with relative ease.

The integrated powered positioning cradle is compatible with a wide range of clip slings and is adjusted directly via the user handset without the need for a separate battery, helping to save precious time and effort for care-staff.

Key Features

- Integrated powered cradle (Handset operation)
- Smart Monitor diagnostic control system
- 'Swan-neck' powered leg adjustment (Open/close)
- Emergency stop and lower functions
- Fully compatible with clip attachment slings
- Ergonomic design considerations
